I-10-0457	Nordic Sport	Olympia Carbon, carbon, green cord	White, green spiral

Personal Implements shall also be allowed, providing that:

- They are readily identifiable and are IAAF certified
- They are not already on the official list
- They have been checked for compliance with IAAF Rules
- They are made available to all the other competitors until the end of the Final

Personal implements will have to be submitted to the TIC at Sandnes Stadium, the day before the event and no later than 18:00 hours.

If a personal implement cannot be accepted into the pool due to it not meeting the specifications or being unidentifiable, the relevant team will be notified through the TIC, with an explanation, and the implement will be returned.

Note: "IAAF Certified" implements may include older models that previously held a certificate but are not in production any longer.

In order to speed up the checking in of eligible personal implements, please come prepared and consult the IAAF list on the website (<https://www.iaaf.org/about-iaaf/documents/technical>) in advance to identify the implement noting its IAAF certification number. If you do not find your implement in the list but you believe that it is/was certified, please contact the IAAF Office at technicalofficer@iaaf.org so that its status can be checked and confirmed to you and the LOC in due time.
